## TROWBRIDGE FARMS

*Family is Everything!*

*Now extending to six generations (including grandkids working around the farm), the Trowbridge tradition is based upon a dedication to elevating and preserving the great Angus breed. Even the stock is a family affair, with some of the better cow families going strong at Trowbridge for 30 to 35 years and since 1955 we've owned nearly 100 bulls that have gone on to major A.I. studs. Trowbridge stock has played a role in the growth of the U.S. Angus market, which in that time has registered over 17 million head of Angus cattle.*

*Join us and our family of participating consignors as we continue the Trowbridge and U.S. Angus traditions, by offering over 100 females: bred heifers, open heifers, cows with baby calves, spring calving cows, fall calving cows and a few select bull calves.*

*We look forward to seeing you here at our place in Ghent, but if you cannot attend the sale, please feel free to give me or PJ a call to answer your questions pre-sale.*

*See you here,  
Phil Trowbridge*
