Friday Evening - 6:30 PM

OCT 19TH

SALE HELD AT
Springfield Livestock Center
Springfield, MO

Wood River Cattle Company

Mike Moyer
16968 Hwy B • Houston, MO 65483
Cell: (417) 464-1040 • mikemoyer312@gmail.com

Welcome to my first, only, and last dispersal sale.

I started with black cattle in 4H in 1965. My home raised steer placed 12th out of 12 at the Weld County Fair in Greeley Co. The next year I bought my first registered Angus heifer from a JB McCorkel sale from a young man who just starting sales management, Tom Burke also worked. That heifer placed 6th out of 6 at the next county fair. With two last place finishes I knew I would do better. In 1972 I showed the Grand Champion Black Galloway Heifer at the National Western Stock Show in Denver, the judged was Dr. Don Good.

That home raised heifer was led out into the parade of Champions ahead Big Mac the Champion steer. Charles Kirk was the Denver Beef Superintendent, he had shown Galloways at Denver in the 20s and wanted me to lead in first. The Big Mac story became more famous than my heifer.

I went through the entire Livestock judging programs in national competitions in 4H, FFA, Jr College (the very first Livestock Judging Team at Laramie County Community College under the direction of Jack Humphrey) and Senior College. After graduation from The University of Wyoming, I began my Ag teaching career in Missouri.

I have shown and judged livestock in 30 states in my lifetime. These cattle and former students represent my life as I was never married and had no family. I have done all my own work with the cattle.

Shay Lovan, my first national champion judge and former student will give a short greeting at the start of the sale to the 7 national livestock teams I helped with from Missouri and Wyoming that include 3 national champions.

Now for the Cattle from registered Galloways to Chi-Angus now back to Angus, I have made the entire circle. In 1998 I went back to totally registered Angus with the goal to breed western genetics in Missouri. My foundation Angus cows came from Thomas Erica and Thomas Lucy cow family from Oregon and the Bemindful Maid family is straight Montana bred from the Dale Davis herd in Montana. I later picked up Becky Bot of Conanga at a Sygen sale that was used as their donor to be used in my herd. The dam of MM Brand Name 318 sells as well as his offspring, he was 2014 Grand Champion Angus Bull at Memphis, Tn.

The major herd sires I owned were SAV 5175 Bando 1029 out of Champion Hill Lady 703. He is the older maternal brother to Gambles Hot Rod, two time national champion.

I sold 1029 to Jones Stewart Angus off the farm for \$20,000 as a five year old bull. Greg and Brig Stewart loading him that day. Then MM Newsline L S W 039 bred by Lindsay White of Cuba. He was in dam from her own bred Missouri Jackpot Champion at several prospect show in this state- in 2004 the same year she showed the overall Grand Champion Steer at the Missouri State Fair. His semen sells, and his EPDs are still great. The next bull I purchased as a weaned calf from Greg McCurry cow sale and then changed the name to Sedgwicks Out-law 538W. Later Greg McCurry bought him back with Accelerated Genetics as an AI bull. His first daughters sell in this sale. I bred MM Advanced Copy 1625 a AI 039 son out of a cow of my own breeding. MM Bismarck 110 heifers are excellent and he is most of my breeding as well. The K bar D Joe Dirt K20C which is in this sale. These are the only calves he sired and his semen sell. He only had one collection.

I want to thank the many people I have worked with in my cattle and teaching career. I would like to thank Lorrie Hiser, an old judging and showing friend. Lorrie told me a couple years ago, why you show your own cattle like you used to do. Last year I broke all the Joe Dirt and Brand Name 318 heifers. Ed Richardson helped me with those cattle my own breeding was Grand Champion Angus Heifer at Amarillo Texas in 2017.. MM Cheyenne sells in this sale with her full sister and dam This year 2018 MM Medicine Bow was Reserve Calf Champion at Western Regional in Reno Nevada and Reserve Senior Calf at All American Breeders Futurity In Louisville. in 2018, He was shown by Ed Richardson at Reno and Shown at Louisville, KY first time cattle shower Cassidie Jones of Logandale Nevada. These cattle have done very well at Reno Nebraska, Tennessee, Tulsa Oklahoma, American Royal and North American. Many you know I do not have a known Angus name and these cattle are basically not bred like the popular cattle you read about,

I do not have much AI breeding even though I worked a couple years at Genex under the direction of Stan Lock.

Good Luck with the cattle as I have my place for sale through Tom Kissee Realty office right here in in sale barn.

I just want to relocate and the cattle have to be sold before the farm sells. I have always done all the work by myself.

Mike Moyer

WOOD RIVER CATTLE COMPANY

Complete and Total Angus Cow Herd Dispersal

SALE HELD AT
Springfield Livestock Center
Springfield, MO

OCT 19TH

Friday Evening - 6:30 PM

AUCTIONEER

Ron Cunningham, (918) 629-9382

RINGMEN

Bruce Bradley, (417) 848-3457
Tim Lackey, (660) 676-2193

TERMS AND CONDITIONS

This is a complete dispersal of the Moyer Wood River Cattle Company program. All of the cattle and genetics selling sell as is. Every effort will be made to put forth the most accurate information possible in terms of breeding and calving.

REGISTRATIONS AND TRANSFERS

All of the cows and calves born prior to the sale will be transferred to the buyers within 30 days.

SALE LOCATION

Springfield Livestock Marketing Center is located three miles west of Springfield, MO on the North side of 144 at Exit 70.

SALE DAY PHONES

Rance Long(918) 510-3464
Ron Cunningham(918) 629-9382
Mike Moyer(417) 464-1040

SUPPLEMENTAL INFORMATION

A complete update sheet will be available prior to the sale with updated breeding status and calving information. The semen tank and semen will be available for pickup at the sale site.

FOOD AND REFRESHMENTS

The café at Springfield Livestock Marketing Center will be open prior to and during the sale.

All cattle will be worked by Dr. Root of Texas County Veterinary Clinic and will be wormed, preg checked, vaccinated, OCV, and everything to heifer calves to be weaned. Weaning age calves will all be broke to tie.

MIKE MOYER'S ANGUS COW HERD COMPLETE DISPERSAL

It is a pleasure to be working with Mike Moyer as he has made the difficult decision to disperse all of his Angus females. Mike has long been an advocate of raising superior, high quality Angus genetics and has never sacrificed easy fleshing, sound, functional individuals that also excel with eye appeal.

This offering is going to include several bred females as well as cow-calf pairs many of them backed by multiple generations of Moyer breeding. Of special note, there will be several females selling that have been shown very successfully for Mike and have consistently carried on producing progeny who also excel with added style and eye appeal.

For those looking to invest in a herd sire, there will be a select group of breeding age bulls selling. Some of these bulls have been used in the Moyer program while others are coming yearlings ready to breed. All of these bulls are backed by proven performance genetics. In addition to the bulls selling, there will also be a select offering of rare and valuable semen included in the sale along with Mike's semen tank.

We invite you to be on hand with us Friday evening, October 19 in Springfield, Missouri for this event. The cattle will be the kind all cattlemen can appreciate and I have no doubt you will be impressed with Mike's breeding program and approach to the business. If I can help or be of assistance, please don't hesitate to give me a call.

Sincerely,
Rance
